## **Independent Accountants' Review Report**

To the Board of Directors  
The International Paruresis  
Association, Inc.  
Baltimore, Maryland

We have reviewed the accompanying financial statements of The International Paruresis Association, Inc. (a non-profit corporation), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements. A review includes primarily applying analytical review procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provided a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**THE INTERNATIONAL PARURESIS ASSOCIATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2017**

**NOTE 1 - ORGANIZATION**

The International Paruresis Association, Inc. (IPA) is a nonprofit organization whose purpose is to help those afflicted with paruresis overcome the stigma, embarrassment and isolation associated with the condition by educating the public, advocating effective treatments and advancing related research. The Shy Bladder Center is a program of IPA.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

- A. Basis of accounting – The financial statements of The International Paruresis Association, Inc. have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.
- B. Basis of presentation - Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Topic 958, *Not-For-Profit Organizations*. Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no permanently restricted or temporarily restricted net assets as of December 31, 2017.
- C. Use of estimates in preparing financial statements - Management uses estimates and assumptions in preparing financial statements in accordance with the cash method of accounting. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.
- D. Income taxes – IPA is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable organization deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(1). The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such as position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits or recorded as liabilities for the year ended December 31, 2017.

Major additions and betterments are charged to the asset accounts while maintenance and repairs which do not improve or extend the lives of the assets are expensed currently. Depreciation of office furniture and equipment is provided using the straight line method over 5 years. Depreciation expense for the year ended December 31, 2017 was \$0.
- G. Expense allocation - The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. **NOTE 5 – SUBSEQUENT EVENTS**

Events that occur after the statement of financial position date, but before the financial statements were available to be issued, must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of financial position date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of financial position date require disclosure in the accompanying notes.
